The Falcon Bulletin

November 1992

PRESIDENT'S MESSAGE

I'm getting ready to go to St. Louis for the Regional Meet. Sounds like it will be a super show. They're combining the Falcon Regional with an All-Ford Show on Saturday which should be fun. I'm hoping to see a lot of you there.

You Chapters need to be thinking about a job for which you would like to volunteer to help put on the 1993 National Convention in Knoxville. Let Marty Martin know as soon as your club decides what it would like to do. It is important that we all take an active part to ensure this will be a great meet.

There seems to be some discussion about the classes at the '93 National Meet. The by-laws state that there must be three awards given at the National Meet — Best of Show, Oldest Falcon and Long Distance; therefore any awards given beyond this are a bonus to us all. We have a committee that worked very hard choosing these extra classes for '93 to make it fair for everyone.

We have had some bad things happen to some of our members, such as cars stolen and accidents without insurance or not enough insurance. I recommend checking with one of the collector car insurance companies. Their rates are very reasonable and pay off great.

Take Care,
Jim Hatcher, FCA President

The **Falcon Bulletin** is published monthly by the Falcon Club of America with information from its members. The Falcon Club of America, Inc. is a nonprofit organization dedicated to preserving the **Falcon** automobile built by the Ford Motor Co. from 1960 to 1970. Roy E. Sword founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to the Falcon Club of America are \$20 (\$25 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076. Copy for publication should be sent to: Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099. Copy must be received by the first of the month preceding the month of publication.

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. Nonmembers' ads in the classified section are \$5.00 each, and are limited to 50 words per ad. All items advertised for sale must have a price for the ad to be run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space-available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — \$50.00; Half page — \$30.00; Quarter page — \$20.00; Quarter page photo ad — \$15.00 for members, \$25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with checks payable to the Falcon Club of America.

Ads must be received by the first of the month for the next month's issue

VICE PRESIDENT'S MESSAGE

There seems to be some concern about the "Standardization of Classes," so this message will be dedicated to the clarification of that issue and the unique position of all FCA officers for the '93 FCA Convention.

No chapter requested the opportunity to host the 1993 National Convention. This placed the responsibility of hosting/conducting this convention on the FCA officers. The task of organizing this convention was assigned to my office at this year's National in Milwaukee. Work for the 1993 Convention actually began in June 1991 and will continue through the event in August 1993.

As the '93 Convention Director, I now assume the role of a Chapter President who is hosting the next convention. As such, I must be allowed the freedom to plan and execute activities as all chapters have done in the past. The only real difference is that I haven't the luxury of one common group (chapter) to accomplish the goals "we" have established for this convention. We must draw on the talents of all chapters for this endeavor to be successful. At this year's Business Meeting, the President requested volunteer chapters for the many, many things that require doing, both before and during the convention. There were none! That request is still out there, and we definitely need all the help we can get.

On the subject of Classes: The classes were established to cover the seven major body styles of the Falcon. There are four categories designed to allow an owner to place his/her Falcon in a category/class best suited for that individual car and to ensure fairness within that class. A general guide has been constructed to help all members select the proper category and class. All classes and categories (except Concours) are set up to allow splitting or deleting as required. The problem is that there is only one way to do this and still have ample time to split the classes, delete a class if required, print ballots, order awards, manufacture awards, take delivery and check for correctness of awards, and then deliver them to the Nationals. That method is **Pre-Registration**. Classes will be finalized based on Falcons that are pre-registered prior to May 15, 1993. Example — If there are ten 1963s, ten 1964s, and ten 1965s registered prior to the May 15 deadline in the Street Driven category, 1963-1965 Convertible class, we would split that into three separate classes for each year model and three awards would be given to each class. There are many combinations that can be applied, depending solely on prepaid, pre-registered cars. These adjustments will be accomplished at the discretion of the committee, just as any Hosting Chapter would be free to do. Economically it boils down to the quantity registered in a given class must support the total cost of awards for that class.

On the subject of Finance: All profits realized from this convention will be accounted for and placed in the FCA Treasury where it will be utilized to service You, the Membership. The officers involved in organizing this convention receive no wages for this or any other FCA function.

This Convention is Yours. It will not be a success unless *YOU* participate.

Love Ya All,

Marty

CHAPTER NEWS

The September meeting of the *Hawkeye Chapter* was held at the home of David and Cathy Musal in Bettendorf, IA. We had a good turnout of members and cars for the potluck picnic with lots of good food. Everybody stayed around until Sunday and went on the President riverboat for a really great time. The next meeting will be on Nov. 7, at the Des Moines Bonanza and will be our annual meeting with election of officers for 1993.

The *River City Chapter* went bananas in September. Seven official and unofficial events were planned. President Holly Hooper and Founding Father Ron Wilson represented the Falcon club on a local radio show call *Crusin' Talk*. Nine Falcons attended the Concours d'Fixup in Novato, CA; seven belonged to members and two became members. Our Pacific Regional Meet clunker winner, Carla Martucci, won the Best of Show award and Steve Dolar's embarrassingly beautiful Falcon was in the running for Worst of Show. Eight Fine Feathers attended the Willows, CA, Cruisin' '92; six of them showed along with 556 other beauties of various manufacture. Event news and pix are still coming in, and Fast Flying Falcons are participating in the *Ford Fever Sunday* drag races at Sacramento Raceway.

At the *Carolinas Chapter* monthly meeting in September, members ordered club jackets. Also under discussion was the list of classes for the 1993 National Convention. Plans were made for the many club activities scheduled in October.

The *Mid-America Chapter* held its regular meeting September 11 at the Santa Fe Bar-B-Que, Olathe, KS, with 25 members present and six Falcon driven. Everyone that attended the Nationals in Milwaukee reported having a great time. Our chapter brought home several awards. Worlds of Fun Theme Park asked us to show our Falcons at their park for '50s-'60s Month on September 13. Twelve Falcons participated, and everyone had an enjoyable day riding the rides and listening to the '50s-'60s music.

The *Keystone Chapter*, along with the Mason-Dixon Chapter and Northwest Chapter, held the 4th Annual Eastern Regional Meet in Valley Forge, PA on September 18-20. The combination of 54 Falcons on display, parts vendors and conversation made for an exciting meet for all those in attendance. The meet was considered a success and plans are underway to make next year's meet even better. We will wrap up the 1992 show season with a Fall Foilage Meet and Luncheon at Chet and Becky Wisniewski's residence in October.

At the Yellow Rose All Ford Show, the *Heart of Texas Chapter* had an excellent club display that placed third in the Club Display Award. Several members also took home trophies. Some of our dedicated club members showed off their Falcons at a Memories of Elvis night that was held at the Crowley Sonic.

During the September 12 meeting of the *Suncoast Chapter*, plans were made to hold a Regional Meet in 1993; date and location are to be announced later. Highlights and comments on the 1992 National Convention were presented by President Amey. Classes for the 1993 National Meet were also discussed.
